

## PRESS INFORMATION

### **Olympus awarded as European Top Employer 2025**

**Hamburg, January 16, 2025 – At the beginning of 2025, the Top Employers Institute has once again recognized Olympus as a Top Employer in Europe for the 18th consecutive year. This recognition highlights the ongoing effort across the company’s teams to create a supportive and inspiring workplace. Olympus entities in Germany, France, Spain, Italy and Portugal have all been awarded the Top Employers certification for 2025.**

Each year, the independent Top Employers Institute evaluates and certifies organizations based on their excellence in Human Resources (HR) practices. The comprehensive HR Best Practices Survey assesses six core areas and 20 topics, including People Strategy, Work Environment, Talent Acquisition, Learning, Diversity, Equity & Inclusion and Well-being. To secure this certification, Olympus entities across Europe responded to 255 survey questions.

For 2025, the Top Employers Institute has once again recognized Olympus as a European Top Employer. *“Our people are the key to unlock new value for businesses, to build trust and deliver on Our Purpose of making people’s lives healthier, safer and more fulfilling. Our teams work hard to foster a culture that champions diversity, inclusiveness and collaboration,”* said Marion Bönsch, Olympus EMEA Head of HR and Managing Director, on this achievement. *“Being recognized by the Top Employers Institute reaffirms our ongoing commitment to creating a workplace and a culture where everyone feels empowered, supported and well represented.”*

Being recognized as a Top Employer offers Olympus valuable opportunities to gain insights and further refine its workplace culture. The organization is committed to continuously evolving its practices to support employees’ needs and create a positive work environment for everyone.

## About Olympus

At Olympus, we are committed to Our Purpose of making people's lives healthier, safer and more fulfilling. As a global medical technology company, we partner with healthcare professionals to provide best-in-class solutions and services for early detection, diagnosis and minimally invasive treatment, aiming to improve patient outcomes by elevating the standard of care in targeted disease states.

For more than 100 years, Olympus has pursued a goal of contributing to society by producing products designed with the purpose of delivering optimal outcomes for its customers around the world.

Olympus Europa, headquartered in Hamburg, Germany, serves the EMEA (Europe, Middle East, Africa) Region and employs 7,300 people in 31 countries.
